VETRITE SLAB COLLECTION

The development of the Vetrите glass slabs fuse together technology and artisanship, sandwiching colors, textures, metallics, and textiles between two layers of safety glass for a completely unique look. These high quality glass slabs are suitable multiple applications such as vanity and furniture tops, feature walls, tub surrounds, and fireplaces. In addition, Vetrите slabs are easy to clean, non porous, fade resistant, and do not require sealing. We stock over 30 different colors of Vetrите glass slabs in a 6mm thickness that provide quality and character to every application.
