

# PEDRA

---

PORCELAIN TILE

VENETIAN  
TILE & STONE GALLERY

## **PEDRA TILE COLLECTION**

---

The Pedra collection draws inspiration from the natural texture of limestone sourced from the Iberian Peninsula. Each tile has a unique presence of delicate fossils and areas of light and dark rings. We stock two colors in a matte finish giving a soft and natural appearance. There is also a textured finish available characterized by light, regular incisions running across the longer length of the tile.

## STOCKED COLORS & SIZES
